COMMON QUESTIONS

What happens when you call your SWMERN Success Coach?

To help you best, we will need to ask you for some details about your situation. We may need to see you in person and will try to be flexible around your work schedule. We will then coordinate services to address your concern and will support you as you work through it.

Will you share my information with my employer?

Not unless you give us consent. In some cases, we may need to verify some basic job information with your employer. This could be wages, date of hire or attendance history. Personal information can be confidential and we will not disclose why you are seeking our assistance.

Employer Resource Network Success:

“It is amazing that my employer offers this benefit right onsite. They helped my family during a difficult time with our teenager.”

“I never knew these resources were available. Since I separated from my spouse, things have been very difficult financially. I would be in a much more difficult place if it were not for this program. This has been a bridge to a future.”

“This program saved my job. How would I have gotten to work without a car? I would recommend that anyone connect with the Success Coach.”
