COMMON QUESTIONS

What happens when I call my Success Coach? To help you best, we will need to ask you some details about your situation. We may need to see you in person and will try to be flexible around your work schedule. We will coordinate services to address your concerns and support you as you work through it.

Will you share information with my employer? Not unless you give us consent. Sometimes we may need to verify some basic job information with your employer. This could be wages, date of hire, or attendance history. Personal information can be confidential and we will not disclose why you are seeking assistance.

Employer Resource Network Success: "It is amazing that my employer offers this benefit right onsite. They helped my family during a difficult time with our teenager."

"I never knew these resources were available. Since I separated from my spouse, things have been very difficult financially. I would be in a much more difficult place if it were not for this program. This has been a bridge to a future."

"This program saved my job. How would I have gotten to work without a car? I would recommend that anyone connect with a Success Coach."

How can we help achieve your dreams?
