- public bus schedules or locations don't work for you

### Free download: iTunes and Android App Store

A Southwest Michigan ERN Success Coach helps an employee navigate the "Driven to Succeed" app to find a ride to work.

### How can you earn or save money?

- get a low cost ride from a co-worker who lives near you or is on their route to work

### Don't wait! Download the "Driven to Succeed" app.

- BEFORE you have an emergency and need a ride
- start earning money NOW by picking someone up on your way to work

### Step 1. Get the passcode from your Success Coach.

#### Your Success Coach can provide you with the code, and if needed:

- After posting your needed ride and time, a driver will contact you if one is available.
- Once your driver has selected you as a rider, you will both be able to confirm your ride through texting right inside the app.
- You will not have to share your phone number.
- If you'd rather not be picked up at your home, choose a corner a short walk away.
